Dear Sirs;

Firstly, I would like to compliment you all on the fine job done by your Soviet Jewry Caravan this summer. Their presentation and follow-up sichot were educational and filled with emotion. Certainly they turned on many of our campers and staff to the need for involvement in the Soviet Jewry campaign. As the Assistant Director of Olin-Sang Union Institute, I thank the people of the caravan for starting a job which desperately needs to be done.

Now, as the advisor to the Chicago Federation of Temple Youth, I would like you to know that we are starting our own caravan here in the Chicago area. Four high school students and myself will be traveling from temple to temple with our own presentation and project dealing with the situation concerning our brothers in Russia. Because of this I am writing to find out how and where I can get a copy of the film, Let My People Go. I would also like to know how much a copy costs.

I hope you are pleased to know that your caravan has motivated some people to action. I am looking forward to hearing from you.

Sincerely,

Ronald Klotz, Assistant Director Olin-Sang Union Institute  
Advisor to CFTY
